Rules:

- Each round is 5 putts from each of the 5 stations. 3 rounds in the entire session.
- Each station's putt is worth that station number (station 1 = 1 point per made putt, station 2 = 2 points per made putt)
- Not required to play stations in order, but all 5 must be completed before next round starts
- Format outlined above must be followed at each league, no jump putting
- 75 total points available each round. 225 for the entire session.
- 6 week season with top 4 scores counting to final total
- Custom stamped disc awarded to winner of each session
