## Stair Building Workshop

**May 4, 2019**

**9:00 am - 3:00 pm**

**Instructor: John Manthei**

In this workshop we will learn the basics of building a simple set of steps. At some point in time most of us will need another set of steps; into the chicken coop, down from the deck, up into the greenhouse or maybe even up to a tree fort. With some basic information and a bit of hands on experience you will be able to build a satisfactory set for yourself.

\$66 (members), \$99 (non-members)
